## Environmental Health Officer ABC03038

Full-time, Permanent  
£30,784 - £40,308 pa (salary dependent on experience)  
Marischal College, Aberdeen

**Closing date: 31 March 2017**

The Environmental Health team is based in the Historic Grade A Listed Marischal College which has been recently renovated to provide a comfortable modern office environment in the heart of the Silver City.

In order to ensure we continue to provide the excellent service that we pride ourselves on, we are seeking to appoint additional like-minded EHOs to complement our highly professional, enthusiastic, conscientious and dedicated Commercial team. Applicants will need to hold the BSc. (hons) in Environmental Health and the REHIS Diploma in Environmental Health or equivalent.

We have very high expectations of our team and in return we offer a comprehensive range of benefits including:

- Very competitive salary
- Generous relocation package
- Flexible working
- Comprehensive training programme
- Essential user car allowance and permit parking or alternatively use of the car club pool cars.
- An employee benefits scheme including a salary sacrifice car leasing scheme, tax free childcare & kids clubs, and a tax free cycle scheme,
- Up to 35 days annual leave

The Commercial Team is a multi-disciplinary team responsible for regulating 2000+ Food Businesses, including 30+ Approved Establishments. We are also responsible for Occupational Health and Safety at 4,000 establishments across the city.

We have Port Health responsibilities at both the air and seaports. A large number of Ship Sanitation visits and Export Certificates are issued annually. The team is also responsible for Animal Health and Welfare as well as Licensing Standards.

We embrace change, are always keen to investigate and deliver mechanisms to improve the service we deliver. We also actively encourage officers to participate in national forums improving and enhancing public health controls in Scotland. A recent recruit to the team stated 'Since joining the Commercial Team at Aberdeen City Council in February 2016, I have been provided with a number of training opportunities, including: Advanced HACCP (5 days); Investigation Skills (5 days); and the Certificate of Competence in Environmental Noise Measurement (5 days), which have increased my confidence, competence and professional experience significantly. The work in the service is varied, allowing you to apply your knowledge and enhance your skills daily. The team also work very well in supporting each other, alongside encouragement and guidance from the management team'.

The Council has access to affordable accommodation within the city which may be available for rent to the successful candidate, for the first 6 months.

**For further information please contact the Commercial Team Manager, Andrew Morrison, on 01224 522490, or alternatively, for an unbiased opinion, any member of the team on 01224 523800.
