

REHIS

THE ROYAL ENVIRONMENTAL HEALTH INSTITUTE OF SCOTLAND (REHIS)

Elementary Food Hygiene Refresher Course

The REHIS Elementary Food Hygiene Refresher Course is a new workbook based course aimed at persons already holding an elementary level food hygiene qualification that is 3 to 5 years old. The course which lasts half a day is designed to update and refresh existing knowledge. Part of the course includes an assessment and candidates that successfully complete this will receive a Refresher Elementary Food Hygiene Certificate.
