

**Bel**  
**Noise Courses**

**KP Acoustics Research labs, in partnership with Bel Noise Courses**

will deliver the

**Advanced Certificate Course in Report Evaluation (ACCRES)**

**Dates:** 22 - 25 Sept 2025

**Location:** Fife Council - [Fife House, North Street, Glenrothes, Fife KY7 5LT](#)

**The Course:** This course provides the skills required to critically read and evaluate Technical Acoustics Reports and is aimed at:-

- those responsible for signing off on reports for their organisation's quality control, and
- those reviewing reports for regulatory compliance purposes, e.g. those in senior positions in pollution control, planning and environmental health practice.

**Contact:** To enquire further about the course and to register, email [education@kpacoustics.com](mailto:education@kpacoustics.com).
